Martin Geissmann

Sound Solutions. On location Soundrecorder, Mixer, and Boom Operator.

Born 01. May 1967 in Mägenwil, Switzerland. Son of Max Geissmann and Verena Fischer.

Career history

I started working when I was 16 Years old for my uncle's production equipment rental company in Switzerland. I worked 3 years to learn the job as a Gaffer, and Dolly Grip, Special Effects and Lighting Designer. I worked for several, long productions for the Swiss Army Film Service, before I became full time employed by the Swiss Army Film Service.

After 3 years working as a Gaffer, Soundman for the government, I decided to become a freelance Gaffer/ Soundman.

1986 -1994

I worked for different production companies in Zurich, Switzerland as a freelance Gaffer, Dolly, Key Grip, Soundrecorder and Soundmixer.

1995 - 1998

I had the chance to work for a Thai TV series as Lighting Designer in Switzerland with a production from Thailand. After having so much fun working with Thai people, I decided to move to Thailand. Working for X-ACT / GMM GRAMMY as Lighting Designer. (TV series Hong Nua Mangone, Ngau Moranat, Buang Ban Ja Ton, etc)

1999 - 2000

Employed by Siamlite Film Services Ltd in Thailand Bangkok, as Lighting Designer and Key Dolly Grip.

2000 - recent

After working for more than 6 years for Thai companies, I decided again, to be a freelance Technical Manager, Lighting Designer, Soundrecorder, Gaffer, Dolly, Key Grip, Boom Operator, for international clients and productions.

I do speak: German, English, Thai, and some French.

Projects I have done

2019 Soundrecorder
